

November, 2011

We would like to offer you the opportunity to sponsor the Corn Belt Seed Conference – the joint annual meeting powered by ICIA & ISTA. Your support will be an integral part of hosting a meeting that will attract a number of attendees from across a wide area.

The Corn Belt Seed Conference is scheduled for Thursday and Friday, February 9 & 10, 2012 at the Indianapolis Marriott North, Keystone at the Crossing. The program is all set and we are excited about it. In addition, we will host a Communications Technology Workshop for Wednesday, February 8 – the day prior to the main conference. It promises an excellent program as well. Overall, this conference will provide valuable recognition for you as a sponsor.

Platinum, Gold, Premier and VIP sponsors will have their logos listed on the Corn Belt Seed Conference website, receive publicity in the ICIA “Seed News”, the conference printed program and ICIA E-Alerts prior to the meeting. All sponsors will be listed on signage during the Corn Belt Seed Conference.

If you have specific questions about the 2012 Corn Belt Seed Conference, please contact Susan Overdorf at 765-523-2535 or overdorf@indianacrop.org. Thanks again for your continued support.
